Let's Recap:
Our God is a God of abundance. He owns it all, and He desires to bless us beyond we could ever ask or imagine. So let’s not live with a scarcity mentality, characterized by fear. Let’s live with full faith in the God of miracles!

Tune In:
Take a moment to talk about how this series has challenged you so far. How is your perspective on giving been impacted by the past two sermons? In preparation for our discussion, read the following passages together: 1 Chronicles 29:13-15, Genesis 4:3-7, and Exodus 16:4-5.

Go Deep:
1. Take a moment and think about a time where God provided for you in abundance. Ask a few people to share a story where God went beyond their expectations (does not necessarily have to be financial).
2. Pastor Rob mentioned many people live in “Pharaoh fear” instead of trusting in God. What would you say are the tell-tale signs of “Pharaoh fear?” How can we encourage each other to break out of this fear?
3. In Exodus, we read about God’s provision through daily manna. In the Lord’s Prayer, Jesus teaches us to pray for God’s daily bread. Why do you think it’s important to rely on God daily? How do you rely on God’s provision daily (not weekly, monthly, or yearly) in your life?

Live Out:
Don’t let “Pharaoh fear” hold you from the blessings God has for you. Think of some way that you can go above and beyond and give in abundance as a response to God's abundant blessings. In fact, let’s make a commitment as a group to take a step of faith and give more abundantly this week!
