

MIRACLE OFFERING 2017

Sermon Discussion Guide

Pastor Rob Ketterling

Let's Recap:

This weekend, we had the privilege and opportunity to build the Church of Jesus Christ through Kingdom Builders. People gave sacrificially, out of obedience, and out of abundance. As a result, countless people will come to know Jesus Christ. Our goal as a church is to give \$6,000,000 to support global missions, local church expansion, and future Christian leaders. We do all of this so that all may hear about the life-changing message of Jesus Christ.

Tune In:

In preparation for this week's discussion, read Matthew 16:18, Romans 10:13-15, and 1 Corinthians 3:6 together.

Go Deep:

1. Why do you think our church is so passionate about Kingdom Builders?
2. What is generosity to you? How has God challenged you to be generous?
3. In Matthew 16:18, Jesus says that the Gates of Hell will not prevail against His Church. What part do you think you play in that? How do you think this relates to our generosity?
4. What inspires you the most about what God is doing all around the world?

Live Out:

The Church is designed to move forward and to increase—not to be a monument, but a body that is constantly moving. We believe Jesus is the hope our world needs, and our church is incredibly passionate about giving sacrificially so that His name can be made known in our backyards, around the world, and in the next generation. God has given us so much, and we want to steward what He has provided to make an impact. We're not going to stop, and we want everyone to ask God "What part do you want me to play?"
