

PULSE TWIN CITIES

Sermon Discussion Guide

Nick Hall - Founder of Pulse Ministries

Let's Recap:

This weekend, we heard a powerful message from Nick Hall, the founder of Pulse Ministries. We caught vision for an event happening at US Bank Stadium designed to reach young people with the message of Jesus, and we were challenged to passionately pursue people who need Jesus.

Tune In:

To prepare for this week's discussion, read Mark 2:1-12 and Matthew 28:18-20 together.

Go Deep:

1. Tell us how you first heard the message of Jesus. How were you moved to pursue a relationship with Him?
2. How have you noticed following Jesus changing your heart for people? In other words, how does God change our hearts closer to people as we move closer to God?
3. One of our church's core values is the Next Generation. What do you think your role is in reaching the next generation with the Gospel? How can you help young people go further faster to reach our world?
4. Nick talked about how evangelism is for all of us. Why do you think God set it up for evangelism to be for everyone?? How can we be people who are on a rescue mission for lost people and do that in an effective, meaningful, and authentic way?

Live Out:

Jesus said His disciples would do greater things than He did. When He left, he sent the Holy Spirit to us so that we could be on a mission and have an opportunity to love people more and more every day. Ultimately, following Jesus demands action because God is saving people, and He's using ordinary people like us to do it.

As a Lifegroup, make a commitment to pray for this historic outreach event on May 18 and make plans to come as a group to support a great move of God in our city!
