

# ACTS: WHAT COULD HAPPEN?

## Sermon Discussion Guide

*Part 2 - Pastor Rob Ketterling*

### **Let's Recap:**

This weekend, we continued our series on Acts. Pastor Rob lead us in a conversation on moving from "thank you Jesus" to "yes, Lord." If we are to expand the circle and reach our world with the message of Jesus, we have to step outside our comfort zones. The key to the message of Acts, however, is that the Holy Spirit goes ahead of us. He works in the hearts of people, and our responsibility is to say "Yes."

### **Tune In:**

To prepare for our discussion, please read Acts 4:12, John 14:6, Acts 9:10-17, Ephesians 6:19.

### **Go Deep:**

- The Bible says that Jesus is the way, truth and life and that no-one comes to the father except through Him. Why do you think this is challenging for people to grasp?
- Have you ever shared your faith story with someone who didn't know Jesus? What went through your mind as you were thinking about stepping out? How did you feel after you did it?
- How are you challenged by God's word to step outside your comfort zone? What are you believing for the Holy Spirit to use you for as you say "Yes" to Him?

### **Live Out:**

The Holy Spirit wants to fill you so that you can be a witness. Jesus left earth and sent the Holy Spirit because God's desire has always been for us to play a part in His mission. Regardless of your past and your pain, God has given you the power of the Holy Spirit to reach people that He has placed in your life.
