

BEYOND BLESSED

Sermon Discussion Guide

Part 1 - Pastor Rob Ketterling

Let's Recap:

Pastor Rob kicked off our series entitled "Beyond Blessed" this weekend. We're beginning a conversation around stewarding the finances that God has entrusted us with. We believe that God has blessed us with whatever amount of money we make, and we honor Him by returning the first 10% of all we make to Him through the local church. Afterwards, God invites us to use our money generously. We're all in different places when it comes to stewardship of money, but we can all take a step forward.

Tune In:

To prepare for our discussion, please read 1 Timothy 6:9-10, Genesis 12:2, 1 Corinthians 6:20, Psalms 24:1, Psalms 50:10-12, 1 Corinthians 10:26,

Go Deep:

- Why do you think that God seems to care about the way that we steward what He's given us?
- How have you understood the concept of tithing in the past? Why do you think God asks us to return our first fruits to him?
- How have you been challenged to use what God has given you to bring Glory to Him?
- Do you have a generosity dream or goal that you've set for yourself? If you're comfortable, share it with the group.

Live Out:

God wants our entire heart, and giving our resources is simply a byproduct of a heart that belongs to Jesus. We don't give to get, but rather we are blessed to be a blessing. God has given us so much, and when we become people who give we are reflecting God's incredible generosity. Because God owns everything we have, we are simply stewards and should manage it with the intention to bring glory to God.
