Sermon Discussion Guide

Part 9 - Pastor Rob Ketterling

Let's Recap:

A disciple of Jesus Christ is sensitive and submitted to the Holy Spirit, and we are passionate about helping people live in the fullness of the power of Holy Spirit. In fact, we believe the more connected we are to the Holy Spirit, the more we can fulfill the mission of God in the world. The purpose for our lives necessitates the presence, power and anointing of God, so we invite every believer to pursue the in-filling and gifts of the Holy Spirit.

Tune In :

To prepare for our discussion this, please read: Acts 2:1-4, Acts 2:38-39, 1 Corinthians 12:13, Matthew 28:19, John 1:33, Acts 11:16, Acts 19:6, 1 Peter 2:2, and Romans 6:13

Go Deep:

- What has been your general understanding of who the Holy Spirit is and what He is doing in our world?
- Why do you think it's so important to pursue the gifts of the Holy Spirit as a disciple of Jesus Christ?
- Have you personally experienced any of the gifts of the Holy Spirit? This could be your specific use of a gift or having a gift impact you? If so, share your experience with the group.
- How are you increasing your hunger and thirst for the power of the Holy Spirit in your life?

Live Out:

We need the Holy Spirit, and we certainly need the gifts of the Holy Spirit. If we are going to fulfill the Great Commission, we better have the power of the Holy Spirit evident in our lives and our church. Let's be a church that is thirsty and hungry for more of the Holy Spirit, keeping ourselves in the word, in the work and in worship. Take a moment as you close your group to pray for a continued hunger and thirst for the Holy Spirit.
