- This year God wants us to Hold Nothing Back
- This is your green light to doing what God is telling you to do

Main Scripture Reference(s):

Discussion Questions:

1. As you reflect on 2019, how was that year for you? Was it great? Difficult? Exciting? Forgettable?

2. As you listen to how our year as a church was in 2019, how did that make you feel?

3. Have you written down your goals for this year? If yes, what are some? If not, why not?

4. In what ways can you step into 2020 with the attitude of "holding nothing back"?

5. What practical next steps are you going to take in order to accomplish what God has for you this year?

6. Jesus was impressed that the widow gave all she had. What is one thing that you can give all to Jesus in 2020?
